

## Readmission of Former Students

Students who are suspended may apply to return to the College after a minimum of one semester of suspension. The readmissions process requires former Brevard College students who were suspended to submit to the Admissions Office:

- Completed application for admission available at [brevard.edu](http://brevard.edu).
- Official transcripts from each college previously attended after suspension from Brevard College.
- An Academic Plan must be completed in collaboration with the Assistant Dean of Student Success and/or the student's academic advisor. The student's individualized academic plan must be approved by the Registrar. This plan is designed to outline progress toward reestablishment of Good Standing by a specified point in time. All academic plans will be monitored each term. If a student fails to meet the standards set up in the plan, the student will no longer be eligible for financial aid until the student re-establishes eligibility on their own. If a student wishes to change their academic plan, they must appeal to do so and explain what has happened to necessitate the change and how they will be able to make academic progress.

## Teacher Licensure (Licensure Only or Post-Baccalaureate)

All candidates for licensure (undergraduate, transfer, and post-baccalaureate) must be accepted into the Teacher Education Program. Please submit:

1. Completed application for admission available at [brevard.edu](http://brevard.edu).
2. Official transcripts from each college previously attended.
3. Transfer Student Questionnaire form available at [brevard.edu](http://brevard.edu).

These students are strongly encouraged to visit campus and meet with a faculty member from the teacher education program to discuss licensure requirements. Contact the Admissions Office at [admissions@brevard.edu](mailto:admissions@brevard.edu) or 828.884.8332 to arrange this appointment.

## Conditional Admission

Brevard College considers high school graduates who demonstrate readiness to do college-level work but who have not achieved all of the requisite competencies. The purpose of conditional admission is to provide a student with a semester of personal and academic support, which will increase the likelihood of the student's success at Brevard College. Because of this admission status, the first semester coursework is prescribed for the student by the Academic Advising Office and is based on high school performance, SAT/ACT scores, and other placements tests. The student may be required to take some courses that will not count toward graduation, but the student will address foundation skills necessary when pursuing a college education. These courses will count in the semester load allowing the student to maintain full-time status during the semester, and may also include a course or courses in areas of interest or proposed major. Second semester status and future advising are based on the outcome of the first semester on campus.
