

IMMUNIZATION REQUIREMENTS

Complete your Immunizations and return them to your Admissions Counselor.

North Carolina state law states that Brevard College must suspend you if you do not meet immunization requirements within the first 30 days of classes.

Access your medical records from the [Immunization Registry](#). You may also request this form from your local health department or from your physician's office. The only [allowable exemptions](#) are for medical or religious reasons.

You may find additional information from the [Center for Disease Control](#).

REQUIRED IMMUNIZATIONS

- DPT (Diphtheria, Tetanus, Pertussis)
- TDAP (Tetanus, Diphtheris, Accellular Pertussis):
- Polio
- Measles, Mumps, Rubella
- Measles, Mumps
- Hepatitis B:
- TB Skin Test (PPD). Required only for International students.

RECOMMENDED IMMUNIZATIONS

- Varicella (Chicken Pox)
- Hepatitis A
- Human PapililomaVirus (HPV)
- Meningococcal
