WAIVER If you would like to waive the per semester fee, please check the box, sign and date below. If you waive a permit at this point but later decide to bring a vehicle to campus you must immediately stop by the office of Stan Jacobsen on the 2nd floor of the Stamey building to register your vehicle and pick up a parking decal.

Students that waive parking and are found to have an unregistered vehicle on campus will be issued a \$500 non-appealable citation.

I choose to waive this charge as I am not bringing a vehicle to campus.
