Three-Night Bald Head Island Getaway

Donated by Bo '74 & Barbara '75 Hulsey Chair, Board of Trustees

No cars allowed! Unspoiled and upscale, this beautiful island encourages fun and relaxation. Since the days of notorious pirates like Blackbeard and Stede Bonnet, Bald Head Island has been attracting curious explorers. Reachable only by ferry or private boat, Bald Head Island is now the perfect island retreat to get away from the everyday.

This is everything you love about an unplugged beach stay – and all your vacation needs are right here on the island.

This adventure for up to 4 people, includes the use of a golf cart for exploring, and dinner-fixins- for-two to take with you from Food Matters Market. This three-night getaway also includes access to the Bald Head Island Club, ferry tickets and cleaning service.
