Verification Guidelines

A student may be flagged for “Unusual Enrollment History Review” by the U.S. Department of Education because they received Federal Pell Grant Funds at multiple education institutions during the review period (2020-2021, 2021-2022, 2022-2023, 2023-2024 academic years). This flag requires the Office of Financial Aid to review the student’s enrollment history during the review period. Submission of this form does not guarantee the reinstatement of financial aid.
