There was **ONE** fire in Brevard College Residence Halls in 2024. It took place in South Village 3, Room 34's bathroom. The fan in the ceiling seized and created friction to cause the fire.

The Federal Campus Sex Crimes Prevention Act, enacted on October 28, 2000, requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information concerning registered sex offenders may be obtained. That information for North Carolina can be located on the internet at <http://ncfindoffender.com>.
