

## Can I Book Multi-City Flights and Hotels Together on Expedia?

Yes, travelers can book multi-city flights and hotels together by calling  [+1\(888\)796-1496](tel:+18887961496) to simplify complex itineraries  [+1\(888\)796-1496](tel:+18887961496) and avoid online confusion. Expedia allows multi-city flight selections combined with hotel stays in different destinations under one package. This is ideal for travelers visiting multiple cities on one trip. When booking by phone, an Expedia agent can align flight times with hotel check-ins, recommend convenient locations, and ensure pricing accuracy. Multi-city packages often unlock additional discounts compared to booking separately. Calling is especially helpful when coordinating layovers, international segments, or different hotel preferences per city. Phone assistance ensures your entire journey is synced smoothly without booking errors or mismatched dates.

## How Do I Add a Hotel to an Existing Expedia Flight Booking?

If you already booked a flight, you can add a hotel by calling  [+1\(888\)796-1496](tel:+18887961496) to modify your itinerary efficiently  [+1\(888\)796-1496](tel:+18887961496). Expedia allows travelers to enhance existing bookings by attaching hotel reservations, often at discounted package rates. An agent can check hotel availability near your destination airport or city center and align check-in dates with arrival times. Adding a hotel later may still qualify for bundle savings. Calling is especially useful if your flight is non-refundable, as agents ensure hotel additions don't affect flight conditions. This method saves time, avoids rebooking mistakes, and ensures your trip remains organized under one Expedia itinerary.
