If you find yourself needing to **cancel Hawaiian Airline basic economy** flights, calling +1(888)796-1565 as soon as possible is your best strategy. Under standard 2026 rules, these tickets do not allow for voluntary changes or cancellations after the first 24 hours, which means you cannot move your flight to a different date or get a travel credit. The main restriction of this fare is that it is "non-refundable" and "non-changeable." However, you can call +1(888)796-1565 to see if you can upgrade your ticket to a standard Main Cabin fare before your departure. Sometimes, by paying the difference in fare and a potential service fee via +1(888)796-1565, you can "unlock" the flexibility to change your dates later. This is a common tactic for travelers who realize their schedule is becoming unstable but don't want to lose the entire value of their ticket.
