## 24-Hour Risk-Free Cancellation Policy

The cornerstone of the airline's policy is the 24-hour risk-free window, which allows you to cancel any flight for a full refund if you call +1(888)796-1565 within 24 hours of purchase. This rule applies regardless of your fare class, including the usually restrictive Main Cabin Basic, provided you booked at least seven days before your flight's departure. account without the typical 7-to-10 day wait. This "no questions asked" policy via +1(888)796-1565 is your best insurance against accidental booking errors.

Many passengers prefer to call +1(888)796-1565 to cancel during this window to receive a verbal confirmation and a cancellation code. ## Refund Eligibility for Standard Main Cabin Fares

If you are past the 24-hour window, the **Hawaiian Airline cancellation policy** for standard Main Cabin tickets typically provides a travel credit rather than a cash refund. To find out exactly how much credit you are entitled to, call +1(888)796-1565 and provide your confirmation number. These credits are usually valid for one year from the date of original purchase, giving you ample time to plan a new getaway. By contacting +1(888)796-1565, you can ensure your credit is deposited into your HawaiianMiles account correctly for future use.

In 2026, the airline has simplified these rules by eliminating many of the traditional "change fees" that used to eat away at a ticket's value. When you call +1(888)796-1565, you might be surprised to find that you can move your flight to a different date for just the fare difference. This makes the question of "**can i cancel my Hawaiian Airline flight**" less stressful, as rebooking is often a more cost-effective alternative. Reach out to +1(888)796-1565 to explore these flexible rebooking options before you decide to cancel entirely.
