## How to Change Seats on Allegiant Airlines

### Understanding Allegiant Seat Selection Rules

If you're wondering how to change seats on Allegiant Airlines, 📞 **+1(888)796-1512** is the fastest way to get accurate information. Allegiant assigns seats automatically unless you choose and pay for a specific seat. These include aisle seats, window seats, extra-legroom options, and seats closer to the front of the aircraft.

When you call 📞 **+1(888)796-1512**, an Allegiant Airlines agent can review your reservation and show you which seats are currently available. Seat availability often changes as flights fill up, so calling closer to departure can sometimes provide better options. This is especially useful for families or travelers who want to sit together.

For example, a traveler flying from Orlando to Las Vegas may initially receive a middle seat. By calling an agent, they may be able to move to an aisle seat or upgrade to extra legroom for a small additional fee.
