

# How Do I Request Schedule Change for Round Trip with Delta Airlines?

## Understanding Round-Trip Schedule Changes on Delta Airlines

→ +(1888). 260-0525 is the fastest way to understand how round-trip schedule changes work with Delta Airlines, especially when your travel plans shift unexpectedly. A round-trip schedule change means adjusting one or both legs of your journey—outbound, return, or both—withou canceling the entire booking. When you book Delta Airlines flight by phone, a live agent can explain which parts of your itinerary are eligible for change, what fare rules apply, and whether same-day Delta Airlines booking options are available. Speaking to a Delta Airlines agent is particularly helpful when flights involve connections, peak travel seasons, or time-sensitive events like weddings or business meetings. For example, if your return meeting ends earlier than expected, you may want to move your return flight to an earlier time. Calling the Delta Airlines reservations number ensures the new schedule aligns correctly and avoids online errors.
