While Allegiant does not always offer traditional long-term fare holds, speaking directly with an Allegiant Airlines agent can help you understand short-term options, pricing stability, and the best time to finalize your booking. This is especially helpful for families, group travel, or business travelers coordinating schedules.

 {+1(888)796-1512} When you call the Allegiant Airlines reservations number, the agent will first ask for your preferred travel dates, departure city, and destination.
